

Frasier Sundra

Recent University Graduate / Software Engineer

SUMMARY

Creative, detail-oriented, software engineer with a deep interest in web development. Proven track record of creating and implementing successful front and back end web applications. Looking to bring my skills to a tech company with global reach. For my online portfolio please see frasiersundra.starlightvoyager.dev

WORK EXPERIENCE

Freelance Frontend Developer, Perth, WA

October 2023 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured front end and full stack web applications
- Applied agile methodologies like SCRUM for project management

Recent Projects:

HiguVT (React app Frontend Only) – A promotional page for a twitch streamer used to promote their stream along with other social media endeavours. Built with React and TailwindCSS. higuvt.starlightvoyager.dev

Jasmine Clarke (React App Frontend Only) – A promotional page for a singer used to promote their social media and other albums. Built with React and TailwindCSS. jasmine.starlightvoyager.dev

University Project (Full Stack Web Application) - Created a web app for ACICIS to help manage their student overseas scholarship program. The web app automatically determine if applied students qualify for the scholarship program. Also acts as a data analytics dashboard for different scholarship programs. Built with Flask, Bootstrap and PostgreSQL

Other Projects:

My Online Portfolio (React app) - frasiersundra.starlightvoyager.dev

Simple Finance Tracker (Full Stack) - A simple finance tracker where users can login using a code. Web App then displays income and expenses. Users can through this by date. Built with NextJS, TailwindCSS, PostgreSQL, JWTs. fin-track-xi.vercel.app

Checkout Supervisor IGA | Perth. Northbridge

January 2021 — Present

Developed strong problem-solving, time management, and communication skills while efficiently managing customer transactions and ensuring high levels of satisfaction in a fast-paced retail environment. Proven ability to work under pressure, collaborate with teams, and adapt quickly.
